<http://www.bbc.co.uk/cymru/cipolwgargymru/>

Welsh-language digital stories - sister site to Capture Wales.

digitalbridge

<http://www.digitalbridge.nu>

Nordic digital storytelling project. Pages and stories in the Swedish language.

Creative Narrations

<http://www.creativenarrations.net/site/storybook/>

Digital Storytelling Association

<http://www.dsaweb.org/>

The Fray

<http://www.fray.com/>

Criminal, Hope, Work, Drugs - those are the categories. The stories are very powerful and range from personal, emotional to humorous.

Digital Griot

<http://www.digiclub.org/dg/stories.html>

African-American stories.

Digital Storytelling Tutorial

www.photobus.co.uk/dstory_01.html

There are guides to scripting, working in the video timeline and playing your project out to master tape. You can also watch some of Daniel Meadows' digital stories here.

Dreamtime

<http://www.dreamtime.net.au/dreaming/storylist.htm>

stories from Australia, mainly narrated straight to camera.

Journale

<http://www.journale.com/>

Firsthand accounts of American stories in Flash, QuickTime, Shockwave and other formats. Click on the Video and Media Lab links for movies.

Latino Legacy Project

<http://www.digiclub.org/ll/thestories.htm>

Stories of Latin-American World War II veterans.

NBAI

<http://www.digiclub.org/nbai/thestories.htm>
Stories about smoking, made by young people.

Next Exit

<http://www.nextexit.com/drivein/driveinframeset.html>
The late Dana Atchley was one of the pioneers of digital storytelling. You can watch his movies here in the digital drive-in.

Life of Riley

<http://www.rileyproject.com/>
Irish digital storytelling project. Some entertaining and interesting stories, both fiction and non-fiction. Particular stand-outs include Fish Talk, The One Eyed Bear and Brandywell Trax.

Schooltv

<http://www.schooltv.nl/vertellen/>
The Schooltv zone of Dutch network Teleac/NOT has a digital storytelling project.

Silence Speaks

<http://www.silencespeaks.org/stories.html>
Survivors of violence and abuse at home tell their own stories on this very moving site.

Storyvine

<http://www.storyvine.com/>
Digital storytelling grapevine in the form of a web log by Scott Rosenberg. A good place to go to find the latest digital storytelling news and links.

Streaming Stories

<http://www.streamingstories.org.uk>
Digital learning project based in Swindon, England.

Waitt Foundation

<http://www.waittfoundation.org/event4.html>
An American community project.

Women's Health Project

<http://www.digiclub.org/whp/thestories.htm>
Stories of women who have faced breast cancer.

World War II Memories Project

<http://www.digiclubnyc.org/ww2/stories/index.html>
You can choose to view slide-shows or movies.
